

The gorilla joke

A gorilla went into a bar and ordered a whisky. The barman thought that it was unusual to see a gorilla in a bar drinking whisky and, thinking that gorillas must be stupid, he thought he would try to take advantage of the situation and overcharge him. He served the gorilla the whisky and said, 'That'll be fifty dollars please'. The gorilla immediately took out his wallet and paid the barman, who was very happy. The gorilla drank his whisky quietly and then ordered another. The barman served him and charged him another fifty dollars. As the gorilla was drinking his whisky, the barman got curious and decided to find out why the gorilla was in the bar. So, to strike up a conversation, he said, 'It's funny, we don't get many gorillas in here'. 'I'm not surprised with the price of your whisky.' the gorilla replied.
