WHAT IS MAGOOSSH?

We help you study for the GRE online.

The screenshot shows the Magoosh Dashboard. On the left, there's a sidebar with a 'Help' link. The main area has a 'Dashboard' title. Under 'Suggested Lessons', there are sections for Math (Intro to Decimals, Multiples of 10, Intro to Fractions, Conversions with Fractions and Decimals, Fraction Properties - I), Verbal (Intro to Reading Comprehension, Elimination Method, Deconstructing Passages - I, Understanding the Sentence, Deconstructing Passages - II), and AWA (Intro to AWA, Essay Organization). Below these is a note: 'Suggestions are based on your unviewed lessons and our recommended study plan'. To the right, there's a 'Quick Practice' section with 'Practice Math' (458 questions left) and 'Practice Verbal' (262 questions left). Below that is a 'Results Summary' section with pie charts for Math and Verbal. The Math chart shows 20% correct and 80% incorrect. The Verbal chart shows 60% correct and 40% incorrect. At the bottom, it shows 'Questions Answered' (15 for Math, 5 for Verbal), 'Your Average Pace' (0m 30s for Math, 0m 30s for Verbal), and 'Others' Average Pace' (2m 18s for Math, 0m 55s for Verbal). There are also links to 'See detailed results' and 'Reset stats'.

We offer **200** math, verbal, and AWA lesson videos

20 hours of videos to learn from

Over **1000** math and verbal practice questions

Video explanations after every question. **Email support** from our expert tutors. **Customizable** practice sessions and mock tests. **Personalized** statistics based on performance. **Access** anytime, anywhere from any internet-connected device.

WHAT'S ON THE CARDS?

The front of the Magoosh flashcard looks very similar to any other flashcard (except for the killer purple). Once you turn over the flashcard, we offer a whole lot more than just a definition.

CATEGORY DESCRIPTION

Each word is assigned a category to help you remember the word. 'Kowtow' falls in 'around the world', which makes perfect sense when you read the backstory.

BACKSTORY

Words come with great stories. And what better way to lodge a word deep into long term memory than learning that 'protean' comes from the Greek god Proteus, who was able to change shape at will.

kowtow (verb)

AROUND THE WORLD

Nope, **kowtow** is not a giant truck for pulling bovines, but a word that comes from the imperial courts of China. When a person kowtowed to the emperor, or any eminent mandarin for that matter, he or she knelt and touched the ground with his or her forehead. Such a gesture was intended to show respect and submission.

Today, **kowtow** has a negative connotation and implies that a person is acting in a subservient or sycophantic manner.

He kowtowed to his boss so often on even the most trivial matters that the boss herself soon became nauseated by his sycophancy.

EXAMPLE SENTENCE

Context is critical on the GRE. Oftentimes, a pure definition is not enough to truly understand words. Each card will have an example sentence so you can see how the word functions in context.

LINK TO OUR WEBSITE

Every card is labeled with the link to our website so you can find the rest of our study materials, GRE blog, and popular online test-prep program to further your studying needs!

PRINTING INSTRUCTIONS

one-sided flashcards

WINDOWS

Keep default print options. If your printer allows for printing without margins, change them to **0**. Otherwise, change margins to **0.5 inches** for top and bottom and **0.25 inches** for left and right.

MACINTOSH

Under the print dialog, keep the default settings but click on the dropdown next to paper size. Select "manage custom sizes". In the new dialog, click the plus button on the left side and enter the above numbers in the blanks. If your printer does not allow 0 margins, put **0.5 in** for top and bottom and **0.25 in** for left and right.

PRINTING INSTRUCTIONS

two-sided flashcards

If your printer allows for two-sided printing, then select that option in the print dialogue. However, if you don't, you can do double sided printing manually by following these instructions:

- 1 After following the instructions on the previous page, refer to the table of contents for the page range of the flashcard set you wish to print. Look under "double" and enter the first number in the range to the "pages" setting of the print dialogue.
- 2 When the printer prints out the page, pick up the printed page exactly as it came out from the printer, then flip it around by its long side. Place the page back in the paper slot/tray for the printer with the blank side up.
- 3 In the print dialogue, change the page number to be of the next page in the flashcard set. After the second page is printed, print the third page on a new piece of paper and repeat.

HOW TO USE

general tips

- 1 DO NOT BITE OFF MORE THAN YOU CAN CHEW.** Learning hundreds of words while only having a tenuous grasp of them is not efficacious. Instead, learn words at a rate in which they are not falling out of your head.
- 2 USE THESE WORDS.** Whether you are walking down the street, or even watching a television show, see if you can apply the words you learnt that day.
- 3 READ, READ, READ.** Reading is an excellent way to supplement vocab lists and flashcards. Be a word detective, and significantly augment your vocabulary.

tricks & strategies

1 COME UP WITH CLEVER AND WACKY ASSOCIATIONS. Another way of saying this: use mnemonics. A mnemonic is a creative way of remembering a word. Even if you don't happen to have a friend named Amy or Greg, you can get creative and wacky with your associations! The beauty of mnemonics is that they only have to make sense to you.

example: *gregarious* and *amiable*

- 2 ODD MAN IN.** Take 100 flashcards and quiz yourself on each one. The ones you do not answer correctly put in one pile. At the very end look at this pile and study the words. Then take those words and once again go through each one. If you do not remember the words a second time, put them in a pile. *This last pile represents your problem words.* Take this deck of flashcards and carry it with you to use and remember!

RECOMMENDED READING

Reading is an excellent way to supplement vocab lists and flashcards. Be a word detective, and significantly augment your vocabulary.

OTHER RESOURCES

The Internet is a great resource for vocabulary. So, check out these links, and they should help you develop a stronger vocabulary that will definitely come in handy on the day of your exam.

<http://magoosh.com/gre>

This helpful word-of-the-day does more than just define a word. It cites the word as used in context from The New York Times galaxy of articles. These articles generally tend to be a trove of other useful words.

We have Vocabulary Wednesday videos and word lists every week, so be sure to check in for blog posts about everything on the GRE—not just vocab, but Math and Writing and the rest of the Verbal section as well.

learning.blogs.nytimes.com

<http://www.wordnik.com>

Their word-of-the-day feature is great—a dictionary.com definition right below the word, along with popular uses of the word in media (this last part is great for getting the sense of context).

Any word (and by any, I mean any) you can think of is defined, along with a plethora of examples taken from a gamut of sources (from Shakespeare to the last Yahoo article). If you want context on a word, this is the place to get it.

PRACTICE QUESTIONS

sentence equivalence

Select exactly two words that best complete the sentence and produce sentences that are alike in meaning.

A knack for _____, it can be argued, allows one access to a whole range of careers, many of which require one to forsake direct, honest speech.

- eloquence
- prevarication
- equivocation
- abbreviation
- discernment
- openness

The answers are “prevarication” and “equivocation”.

Try the question online and watch the video explanation: <http://gre.magoosh.com/questions/2369>

PRACTICE QUESTIONS

text completion

For each blank select one word from each column that best completes each sentence.

The movie is comprised of several vignettes, each presenting a character along with his or her foil: a staid accountant shares an apartment with a _____ musician; a tight-lipped divorcee on a cross-country roadtrip picks up a _____ hitchhiker; and finally, and perhaps most unconvincingly, an introverted mathematician falls in love with a _____ arriviste.

Blank (i)

colorful
insatiable
eminent

Blank (ii)

garrulous
untrustworthy
forlorn

Blank (iii)

unpredictable
gregarious
bumbling

The answers are “colorful”, “garrulous”, and “gregarious”.

Try the question online and watch the video explanation: <http://gre.magoosh.com/questions/2574>

PRACTICE QUESTIONS

reading comprehension

Choose the option that best answers the question.

What little scholarship has existed on Ernest Hemingway--considering his stature--has focused on trying to unmask the man behind the bravura. Ultimately, most of these works have done little more than to show that Hemingway the myth and Hemingway the man were not too dissimilar (Hemingway lived to hunt big game so should we be surprised at his virility, not to mention that of many of the author's--chiefly male--protagonists?). In the last few years, several biographies have reversed this trend, focusing on Hemingway near the end of his life: isolated and paranoid, the author imagined the government was chasing him (he was not completely wrong on this account). Ironically, the hunter had become the hunted, and in that sense, these latest biographers have provided--perhaps unwittingly--the most human portrait of the writer yet.

It can be inferred from the passage that the author considers the latest Hemingway biographies a departure from traditional biographies in that these latest biographies

- focus on a much overlooked aspect of the writer's body of work
- depict Hemingway in a manner that is at odds with the myth of Hemingway
- claim that Hemingway was similar to several of his chief protagonists in his books
- suggest that Hemingway lacked the virility many associated with him
- do not attempt to explore the link between Hemingway the man and Hemingway the myth

The answer is B.

TOP 10 WORDS DOUBLE-SIDED FLASHCARDS

prosaic

alacrity

paucity

veracity

contrite

maintain

top 10 words

(noun)

The GRE has a predilection for words that don't really sound like what they mean. _____ is no exception. Many think the word has a negative connotation. _____, however, means an eager willingness to do something.

So imagine the first day at a job that you've worked really hard to get. How are you going to complete the tasks assigned to you? With _____, of course.

An interesting correlation: the more _____ (adjective form) you are when you're learning GRE vocabulary, the better you will do.

The first three weeks at his new job, Mark worked with such _____ that upper management knew they would be giving him a promotion.

gre.magoosh.com

Magoosh

top 10 words

(noun)

_____ sounds a lot like voracity. Whereas many know voracity means full of hunger, whether for food or knowledge (the adjective form voracious is more common), few know _____. Unfortunately, many confuse the two on the test.

_____ means truthful. _____, the adjective form of _____, sounds a lot like voracious. So be careful.

After years of political scandals, the congressman was hardly known for his _____; yet despite this distrust, he was voted into yet another term.

gre.magoosh.com

Magoosh

top 10 words

(verb)

The second definition of this word—and one the new GRE favors—is to assert. One can _____ their innocence. A scientist can _____ that a recent finding supports her theory. The latter context is the one you'll encounter on the GRE.

The scientist _____ that the extinction of dinosaurs was most likely brought about by a drastic change in climate.

gre.magoosh.com

Magoosh

top 10 words

(adj.)

_____ conjures up a beautiful mosaic for some. So if somebody or something is _____, it must surely be good.

Once again the GRE confounds expectations. _____ means dull and lacking imagination. It can be used to describe plans, life, language, or just about anything inanimate that has become dull (it is not used to describe people).

A good mnemonic: prose is the opposite of poetry. And where poetry, ideally, bursts force with imagination, prose (think of text-book writing), lacks imagination. Hence, prose-aic.

Unlike the talented artists in his workshop, Paul had no such bent for the visual medium, so when it was time for him to make a stained glass painting, he ended up with a _____ mosaic.

gre.magoosh.com

Magoosh

top 10 words

(noun)

_____ is a lack of something. In honor of _____, this entry will have a _____ of words.

There is a _____ of jobs hiring today that require menial skills, since most jobs have either been automated or outsourced.

gre.magoosh.com

Magoosh

top 10 words

(adj.)

Word roots are often misleading. This word does not mean with triteness (con- meaning with). To be _____ is to be remorseful.

Though he stole his little sister's licorice stick with malevolent glee, Chucky soon became _____ when his sister wouldn't stop crying.

Many think this word means extinct. _____ is actually the opposite of extinct.

A great mnemonic is to put the word 'is' between the 'x' and the 't' in extant. This gives you existant (don't mind the misspelling).

Despite many bookstores closing, experts predict that some form of book dealing will still be _____ generations from now.

gre.magoosh.com

Magoosh

commonly mistaken

(adj.)

This word sounds very sinister, but actually means the opposite of sinister. If an occasion is _____, it is favorable.

The opposite, _____, is also common on the GRE. It means unfavorable.

Despite an _____ beginning, Mike's road trip became a series of mishaps, and he was soon stranded and penniless, leaning against his wrecked automobile.

gre.magoosh.com

Magoosh

commonly mistaken

(verb)

People tend to think that _____ has to do with equal. It actually means to speak vaguely, usually with the intention to mislead or deceive. More generally, _____ can mean ambiguous. The related word _____ can also be confusing. To state something _____ is to state it in such a way that there is no room for doubt.

The findings of the study were _____—the two researchers had divergent opinions on what the results signified.

gre.magoosh.com

Magoosh

commonly mistaken

(adj.)

This GRE word does not mean content, as in feeling happy. It comes from the word contend, which means to argue. If you are _____, you like to argue.

_____ is a very common GRE word, so unless you want me to become _____, memorize it now!

Since old grandpa Harry became very _____ during the summer when only reruns were on T.V., the grandkids learned to hide from him at every opportunity.

gre.magoosh.com

Magoosh

commonly mistaken

(verb)

Most people think _____ means to energize. It actually means to sap the energy from.

John preferred to avoid equatorial countries; the intense sun would always leave him _____ after he'd spent the day sightseeing.

gre.magoosh.com

Magoosh

commonly mistaken

(adj.)

Students often believe that to be _____ towards something is to be indifferent. The truth is almost the opposite. See, when you are _____ you have mixed or conflicting emotions about something.

Imagine somebody asked you what it was like studying for the GRE.

Sam was _____ about studying for the GRE because it ate up a lot of her time, yet he learned many words and improved at reading comprehension.

gre.magoosh.com

Magoosh

sedulous

 COMMONLY MISTAKEN

commonly mistaken

(adj.)

I am not quite sure why students can never seem to remember the definition of this word. Perhaps the sed- reminds them of sitting and being idle (like in sedentary). To be _____, however, is to be anything but idle. If you are _____ studying for the GRE, you are studying diligently and carefully—making flashcards, writing down important words and formulas, and, of course, checking out the Magoosh blog every day.

An avid numismatist, Harold _____ amassed a collection of coins from over 100 countries—an endeavor that took over fifteen years, and took Harold to five continents.

gre.magoosh.com

Magoosh

VOCAB FLASHCARDS

COMMONLY MISTAKEN ONE-SIDED FLASHCARDS

extant (adj.)

COMMONLY MISTAKEN

Many think this word means extinct. Extant is actually the opposite of extinct.

A great mnemonic is to put the word 'is' between the 'x' and the 't' in **extant**. This gives you existant (don't mind the misspelling).

Despite many bookstores closing, experts predict that some form of book dealing will still be extant generations from now.

gre.magoosh.com

Magoosh

auspicious (adj.)

COMMONLY MISTAKEN

This word sounds very sinister, but actually means the opposite of sinister. If an occasion is **auspicious**, it is favorable.

The opposite, **inauspicious**, is also common on the GRE. It means unfavorable.

Despite an auspicious beginning, Mike's road trip became a series of mishaps, and he was soon stranded and penniless, leaning against his wrecked automobile.

gre.magoosh.com

Magoosh

equivocate (verb)

COMMONLY MISTAKEN

People tend to think that **equivocate** has to do with equal. It actually means to speak vaguely, usually with the intention to mislead or deceive. More generally, equivocal can mean ambiguous. The related word unequivocal can also be confusing. To state something unequivocally is to state it in such a way that there is no room for doubt.

The findings of the study were equivocal—the two researchers had divergent opinions on what the results signified.

gre.magoosh.com

Magoosh

contentious (adj.)

COMMONLY MISTAKEN

This GRE word does not mean content, as in feeling happy. It comes from the word contend, which means to argue. If you are contentious, you like to argue.

Contentious is a very common GRE word, so unless you want me to become contentious, memorize it now!

Since old grandpa Harry became very contentious during the summer when only reruns were on TV, the grandkids learned to hide from him at every opportunity.

gre.magoosh.com

Magoosh

enervate (verb)

COMMONLY MISTAKEN

Most people think **enervate** means to energize. It actually means to sap the energy from.

John preferred to avoid equatorial countries; the intense sun would always leave him enervated after he'd spent the day sightseeing.

gre.magoosh.com

Magoosh

ambivalent (adj.)

COMMONLY MISTAKEN

Students often believe that to be ambivalent towards something is to be indifferent. The truth is almost the opposite. See, when you are **ambivalent** you have mixed or conflicting emotions about something.

Imagine somebody asked you what it was like studying for the GRE.

Sam was ambivalent about studying for the GRE because it ate up a lot of her time, yet he learned many words and improved at reading comprehension.

gre.magoosh.com

Magoosh

sedulous (adj.)

COMMONLY MISTAKEN

I am not quite sure why students can never seem to remember the definition of this word. Perhaps the sed- reminds them of sitting and being idle (like in *sedentary*). To be **sedulous**, however, is to be anything but idle. If you are sedulously studying for the GRE, you are studying diligently and carefully—making flashcards, writing down important words and formulas, and, of course, checking out the Magoosh blog every day.

An avid numismatist, Harold sedulously amassed a collection of coins from over 100 countries—an endeavor that took over fifteen years, and took Harold to five continents.

(verb)

Literally, to _____ is to drink, usually copiously. Figuratively, _____ can refer to an intake of knowledge or information.

Plato _____ Socrates’ teachings to such an extent that he was able to write volumes of work that he directly attributed, sometimes word for word, to Socrates.

gre.magoosh.com

Magoosh

tricky “easy”

(adj.)

The common definition of _____ is extensive, wide-ranging. The lesser known definition is communicative, and prone to talking in a sociable manner.

After a few sips of cognac, the octogenarian shed his irascible demeanor and became _____, speaking fondly of the “good old days”.

gre.magoosh.com

Magoosh

tricky “easy”

(adj.)

When the definition of this word came into existence, there were some obvious biases against the lower classes (assuming that lexicographers were not lower class). It was assumed that those from the _____, or the lowest, class were without any moral principles. They were contemptible and ignoble. Hence, we have this second definition of _____ (the word has since dropped any connotations of lower class).

She was not so _____ as to begrudge the beggar the unwanted crumbs from her dinner plate.

gre.magoosh.com

Magoosh

tricky “easy”

(verb)

To _____ is a synonym for to deluge, which means to flood. Figuratively, to be _____ means to be overwhelmed by too many people or things.

The newsroom was _____ with false reports that only made it more difficult for the newscasters to provide an objective account of the bank robbery.

You have _____ in architecture, or at a well-known fast-food restaurant. You can _____ your back, or a bow. _____ are even a part of your foot. But, did you know that to be _____ is to be deliberately teasing, as in, “he shrugged off her insults because he knew she was only being _____”? Finally, _____ - as a root means chief or principal, as in archbishop.

The baroness was _____, making playful asides to the townspeople; yet because they couldn’t pick up on her dry humor, they thought her supercilious.

gre.magoosh.com

Magoosh

tricky “easy”

(verb)

_____ is a verb, and it does not mean to behave _____. When you _____ something, you offer it up. For instance, when you _____ your resignation, you hand in a piece of paper saying that you are resigning.

The government was loath to _____ more money in the fear that it might set off inflation.

gre.magoosh.com

Magoosh

tricky “easy”

(adj.)

_____ means lacking. So, if your knowledge of secondary meanings is _____, this eBook is a perfect place to start learning.

She did not find her vocabulary _____ yet there were so many GRE vocabulary words that inevitably she did not know a few.

gre.magoosh.com

Magoosh

tricky “easy”

(verb)

Commonly, when we think of _____, we think of money, or a favor. But, one can also _____ a question, and that’s where things start to get complicated. To _____ a question can mean to evade a question, invite an obvious question, or, and this is where it starts to get really tricky, to ask a question that in itself makes unwarranted assumptions.

For instance, let’s say you are not really sure if you are going to take the GRE. If somebody asks you when you are going to take the GRE, then that person is assuming you are going to take the GRE. That is, they are _____ the question. If you avoid giving a direct answer, then you are also _____ the question (albeit in a different sense). Which finally _____ the question, how did this whole question _____ business get so complicated in the first place?

By assuming that Charlie was headed to college—which he was not—Maggie _____ the question when she asked him to which school he was headed in the Fall.

gre.magoosh.com

Magoosh

tricky “easy”

(adj./verb)

Just as tender doesn’t relate to two people in love, neither does _____, at least in the GRE sense. The secondary meaning for _____ is to suggest something subtly.

At first Manfred’s teachers _____ to his parents that he was not suited to skip a grade; when his parents protested, teachers explicitly told them that, notwithstanding the boy’s precocity, he was simply too immature to jump to the 6th grade.

gre.magoosh.com

Magoosh

tricky “easy”

tricky “easy”

(verb)

The secondary meaning for _____ is somewhat similar to the common meaning. To _____ is to suddenly move or dart in a particular direction. Just think of the word startle.

All alone in the mansion, Henrietta _____ when she heard a sound.

gre.magoosh.com

Magoosh

tricky “easy”

(adj.)

If something is _____, it is significant and revealing of another factor. If a person’s alibi has a _____ detail, often that one little detail can support—or unravel!—the person’s alibi.

Her unbecoming dress was very _____ when it came to her sense of fashion.

gre.magoosh.com

Magoosh

tricky “easy”

(noun/verb)

To _____ is to limit, and it is a word usually used to modify the growth of something.

When government abuses are not kept in _____, that government is likely to become autocratic.

gre.magoosh.com

Magoosh

tricky “easy”

(verb)

If you are thinking Mary Had a Little Lamb (... _____ as white as snow), you have been fleeced _____ by a secondary meaning. To _____ is to deceive.

Many have been _____ by Internet scams and have never received their money back.

gre.magoosh.com

Magoosh

tricky “easy”

(noun/verb)

Melting _____ will only lead you astray. The secondary meaning for _____ is to increase. The opposite of _____ is to wane. Both words are used to describe the moon: a _____ moon becomes larger and larger each night until it becomes a full moon, at which point it becomes small and smaller each night and becomes a waning moon.

Her enthusiasm for the diva’s new album only _____ with each song; by the end of the album, it was her favorite CD yet.

gre.magoosh.com

Magoosh

tricky “easy”

(verb)

This is perhaps the most commonly confused secondary meaning, and one that is very important to know for the GRE. To _____ is to limit, and is usually used in the context of a statement or an opinion.

I love San Francisco.

I love San Francisco, but it is always windy.

The first statement shows my _____ love for San Francisco. In the second statement I _____, or limit, my love for San Francisco.

In the context of the GRE, the concept of _____ is usually found in the Reading Comprehension passage. For example, an author usually expresses _____ approval or some _____ opinion in the passage. As you may have noticed, the authors of reading comprehension passages never feel 100% about something. They always think in a nuanced fashion. Therefore, they are unlikely to be gung-ho or downright contemptuous. That is, they _____, or limit, their praise/approval/disapproval.

gre.magoosh.com

Magoosh

VOCAB FLASHCARDS

benighted (adj.)

TRICKY "EASY"

If the sky darkens, and becomes night, it is, unsurprisingly, **benighted**. However, if a people are benighted (this word is usually reserved for the collective), that group falls in a state of ignorance. This latter definition is more common.

Far from being a period of utter benightedness, The Medieval Ages produced some inestimable works of theological speculation.

gre.magoosh.com

Magoosh

hedge (noun/verb)

TRICKY "EASY"

If you are really into horticulture—which is a fancy word for gardening—you'll know hedges are shrubs, or small bushes that have been neatly trimmed. If you know your finance, then you've probably heard of hedge funds (where brokers make their money betting against the market). **Hedge** can also be used in a verb sense. If you hedge your bets, you play safely. If you hedge a statement, you limit or qualify that statement. Finally, hedge can also mean to avoid making a direct statement, as in equivocating.

When asked why he had decided to buy millions of shares at the very moment the tech companies stock soared, the CEO hedged, mentioning something vague about gut instinct.

gre.magoosh.com

Magoosh

fell (adj.)

TRICKY "EASY"

Imagine an evil person who cuts down trees, and then falls himself. Well, that image is capturing three different definitions of **fell**—to cut down a tree, the past tense of fall (we all know that) and evil. Yes, I know, fell can't possibly mean evil...but the English language is a wacky one. Fell indeed means terribly evil. Now watch out for that tree!

For fans of the Harry Potter series, the fell Lord Voldemort, who terrorized poor Harry for seven lengthy installments, has finally been vanquished by the forces of good—unless, that is, JK Rowling decides to come out of retirement.

gre.magoosh.com

Magoosh

arch (adj.)

TRICKY "EASY"

You have arches in architecture, or at a well-known fast-food restaurant. You can arch your back, or a bow. Arches are even a part of your foot. But, did you know that to be arch is to be deliberately teasing, as in, “he shrugged off her insults because he knew she was only being arch”? Finally, **arch-** as a root means chief or principal, as in archbishop.

The baroness was *arch*, making playful asides to the townspeople; yet because they couldn’t pick up on her dry humor, they thought her supercilious.

gre.magoosh.com

Magoosh

tender (verb)

TRICKY "EASY"

Tender is a verb, and it does not mean to behave tenderly. When you tender something, you offer it up. For instance, when you tender your resignation, you hand in a piece of paper saying that you are resigning.

The government was loath to tender more money in the fear that it might set off inflation.

gre.magoosh.com

Magoosh

wanting (adj.)

TRICKY "EASY"

Wanting means lacking. So, if your knowledge of secondary meanings is wanting, this eBook is a perfect place to start learning.

She did not find her vocabulary wanting, yet there were so many GRE vocabulary words that inevitably she did not know a few.

gre.magoosh.com

Magoosh

beg (verb)

TRICKY "EASY"

Commonly, when we think of begging, we think of money, or a favor. But, one can also beg a question, and that’s where things start to get complicated. To **beg** a question can mean to evade a question, invite an obvious question, or, and this is where it starts to get really tricky, to ask a question that in itself makes unwarranted assumptions.

For instance, let’s say you are not really sure if you are going to take the GRE. If somebody asks you when you are going to take the GRE, then that person is assuming you are going to take the GRE. That is, they are begging the question. If you avoid giving a direct answer, then you are also begging the question (albeit in a different sense). Which finally begs the question, how did this whole question begging business get so complicated in the first place?

By assuming that Charlie was headed to college—which he was not—Maggie begged the question when she asked him to which school he was headed in the Fall.

gre.magoosh.com

Magoosh

intimate (adj./verb)

TRICKY "EASY"

Just as tender doesn’t relate to two people in love, neither does intimate, at least in the GRE sense. The secondary meaning for **intimate** is to suggest something subtly.

At first Manfred’s teachers intimated to his parents that he was not suited to skip a grade; when his parents protested, teachers explicitly told them that, notwithstanding the boy’s precocity, he was simply too immature to jump to the 6th grade.

gre.magoosh.com

Magoosh

becoming (adj.)

TRICKY "EASY"

Another secondary meaning that changes parts of speech, becoming an adjective. If something is **becoming**, it is appropriate, and matches nicely.

Her dress was becoming and made her look even more beautiful.

gre.magoosh.com

Magoosh

start (verb)

TRICKY "EASY"

The secondary meaning for start is somewhat similar to the common meaning. To **start** is to suddenly move or dart in a particular direction. Just think of the word *startle*.

All alone in the mansion, Henrietta started when she heard a sound.

gre.magoosh.com

Magoosh

telling (adj.)

TRICKY "EASY"

If something is **telling**, it is significant and revealing of another factor. If a person's alibi has a telling detail, often that one little detail can support—or unravel!—the person's alibi.

Her unbecoming dress was very telling when it came to her sense of fashion.

gre.magoosh.com

Magoosh

check (noun/verb)

TRICKY "EASY"

To **check** is to limit, and it is a word usually used to modify the growth of something.

When government abuses are not kept in check, that government is likely to become autocratic.

gre.magoosh.com

Magoosh

fleece (verb)

TRICKY "EASY"

If you are thinking *Mary Had a Little Lamb* (...fleece as white as snow), you have been fleeced by a secondary meaning. To **fleece** is to deceive.

Many have been fleeced by Internet scams and have never received their money back.

gre.magoosh.com

Magoosh

wax (noun/verb)

TRICKY "EASY"

Melting wax will only lead you astray. The secondary meaning for **wax** is to increase. The opposite of wax is to wane. Both words are used to describe the moon: a waxing moon becomes larger and larger each night until it becomes a full moon, at which point it becomes small and smaller each night and becomes a waning moon.

Her enthusiasm for the diva's new album only waxed with each song; by the end of the album, it was her favorite CD yet.

gre.magoosh.com

Magoosh

qualify (verb)

TRICKY "EASY"

This is perhaps the most commonly confused secondary meaning, and one that is very important to know for the GRE. To **qualify** is to limit, and is usually used in the context of a statement or an opinion.

I love San Francisco.

I love San Francisco, but it is always windy.

The first statement shows my unqualified love for San Francisco. In the second statement I qualify, or limit, my love for San Francisco.

In the context of the GRE, the concept of qualification is usually found in the Reading Comprehension passage. For example, an author usually expresses qualified approval or some qualified opinion in the passage. As you may have noticed, the authors of reading comprehension passages never feel 100% about something. They always think in a nuanced fashion. Therefore, they are unlikely to be gung-ho or downright contemptuous. That is, they qualify, or limit, their praise/approval/disapproval.

If you remember reading Homer's Iliad, you may remember _____, a muscular, daunting force (some of you may more vividly recall Eric Bana from the movie Troy). As people were intimidated around _____, it makes sense that the word _____ means to bully or intimidate.

The boss's _____ manner put off many employees, some of whom quit as soon as they found new jobs.

gre.magoosh.com

Magoosh

eponyms

(noun)

Many have heard this word, and some may even have a visceral reaction to it. However, this word is actually misused. A _____ is not a male who chugs beers, watches too much football, and demeans women. That would be a male _____. So what is a _____, unadorned by any adjective?

Well, Nicolas Chauvin, a one-time recruit in Napoleon's army, used to go about town, thumping his chest about how great France was. In its modern day incarnation, _____ can also mean anyone who thinks that their group is better than anybody else's group. You can have male _____, political party _____, and even female _____.

The _____ lives on both sides of the political spectrum, outright shunning anybody whose ideas are not consistent with his own.

gre.magoosh.com

Magoosh

eponyms

(verb)

No, this word does not pertain to a large salamander named Gerry – though I suppose it could. _____ is actually far more interesting than that.

Elbridge Gerry was the vice president of James Madison, the 4th president of the United States. Elbridge had an interesting idea. To get elected a president had to win a certain number of districts. So Elbridge came up with the following plan: if he partitioned a city in a certain way he could ensure that the president would win the majority of the votes from that district.

The end result was a city that was split up into the oddest arrangement of districts. And can you guess what a map of the city, _____, looked like? Yep, a salamander.

Today the use of _____ hasn't changed too much, and refers to the manipulation of boundaries to favor a certain group.

Years ago, savvy politicians had _____ the city center to ensure their re-election.

gre.magoosh.com

Magoosh

eponyms

(adj.)

Like Hector, _____ comes from fiction. However, in this case we are dealing with a relatively recent work, that of Eleanor Porter who came up with a character named Pollyanna. Pollyanna was extremely optimistic and so it is no surprise that _____ means extremely optimistic.

Even in the midst of a lousy sales quarter, Debbie remained _____, never losing her shrill voice and wide smile, despite prospective customers hanging up on her.

gre.magoosh.com

Magoosh

eponyms

(adj.)

King Pyrrhus had the unfortunate luck of going up against the Romans. Some would say that he was actually lucky in that he actually defeated the Romans in the Battle of Asculum. _____ was perhaps more ambivalent, quipping, "One more such victory will undo me."

So any win that comes at so great a cost that it is not even worth it is a _____ victory.

George W. Bush's win in the 2000 election was in many ways a _____ victory: the circumstances of his win alienated close to half of America.

malapropism

eponyms

(adj.)

By day, Franz Kafka filed papers at an insurance office, and by night churned out dark novels, which suggested that the quotidian world of the office was actually far more sinister. Mainly, his novels were known for the absurd predicaments of their main characters (who often went by nothing more than a single initial).

Today, we have the word _____, that refers to the absurdity we have to deal with living in a world of faceless bureaucracies. So next time you are put on hold for three hours and then volleyed back in forth between a dozen monotone-voice employees, think to yourself, hey this is _____.

The process of applying for a passport was so _____ that Charles ultimately decided not to take a vacation.

gre.magoosh.com

Magoosh

eponyms

(adj.)

Mary Magdalene was the most important female disciple of Jesus. After Jesus had been crucified, she wept at his tomb.

From this outward outpouring of emotion, we today have the word _____. Whereas Mary's weeping was noble, _____ has taken on a negative connotation. A person who is _____ cries in public for no good reason, and is oftentimes used to describe one who's tried to finish a jeroboam alone, and now must share with the stranger sitting next to them all of his deepest feelings.

Just as those who were alive during the 70's are mortified that they once cavorted about in bell-bottoms, many who lived during the 80's are now aghast at the _____ pop songs they used to enjoy—really, just what exactly is a total eclipse of the heart?

gre.magoosh.com

Magoosh

eponyms

(noun)

This is definitely one of my favorite eponyms. While the provenance is nowhere nearly as interesting as those of other eponyms, the word perfectly describes a lapse that any of us is capable of making, especially those studying for the GRE.

Ms. Malaprop was a character in a play called *The Rivals* by the largely forgotten Richard Brinsley Sheridan. She was known for mixing up similar sounding words, usually to comic effect. Indeed, she would utter the words with complete aplomb that those listening were unsure if she'd even mixed up words in the first place. Her favorite Spanish dance was the flamingo (note: the dance in question is the flamenco; a flamingo is a salmon-colored bird known both for its elegance and tackiness).

GRE _____ aren't quite so silly as Ms. Malaprop mixing up a bird and a Spanish dance, but I'll do my best. See if you can spot the GRE _____ below.

The graffiti artist was indicted for defecating the church with gang signs.

Picasso was a protein artist, able to mix elements of African art with the oven guard.

gre.magoosh.com

Magoosh

eponyms

(adj.)

Don Quixote is perhaps one of the most well-known characters in all of literature. I suppose there is something heartbreaking yet comical at a man past his prime who believes he is on some great mission to save the world. In fact, Don Quixote was so far off his rocker that he thought windmills were dragons.

As a word that means somebody who mistakes windmills for dragons would have a severely limited application, _____ has taken the broader meaning of someone who is wildly idealistic. It is one thing to want to help end world hunger; it is another to think you can do so on your own. The latter would be deemed _____.

For every thousand startups with _____ plans to be the next big thing in e-commerce, only a handful ever become profitable.

gre.magoosh.com

Magoosh

eponyms

(adj.)

Interestingly, there is another eonym for literature that has a very similar meaning: _____. Derived from Dr. Pangloss from Voltaire's *Candide*, _____ carries a negative connotation, implying blind optimism.

Despite the fact that his country had been marred by a protracted civil war, Victor remained ever _____, claiming that his homeland was living through a Golden Age.

gre.magoosh.com

Magoosh

eponyms

(noun)

We've all heard of the Nazis. Some of you may have even heard of the Vichy government, which was a puppet regime set up by the Nazis in France during WWII. Few of us, however, know that Germany also tried to turn Norway into a puppet regime. In order for Germany to take over Norway, it needed an inside man, a Norwegian who would sell his country out for the Nazis.

This man was Viktor _____. For arrant perfidy, he has been awarded the eonym _____, which means traitor.

History looks unfavorably upon _____; indeed they are accorded about the same fondness as Nero—he who watched his city burn down while playing the violin.

gre.magoosh.com

Magoosh

galvanize

byzantine

eponyms

(adj.)

Okay, I cheated a little on this one. Byzant was not a medieval philosopher (nor an industrious ant). The word _____ is not derived from a person's name, but from Byzantium, an ancient city that was part of the _____ Empire (the word can also refer to the empire itself). Specifically, Byzantium was known for the intricate patterns adorning its architecture. Bulbous domed turrets were emblazoned with ornate latticing (think of the towers on a Russia church).

The modern usage of _____ refers not to architecture per se, but to anything that is extremely intricate and complex. It actually carries a negative connotation.

Getting a driver's license is not simply a matter of taking a test; the regulations and procedures are so _____ that many have found themselves at the mercy of the DMV.

gre.magoosh.com

Magoosh

eponyms

(verb)

Like many late 18th Century scientists, Luigi Galvani was fascinated with electricity (you may recall a certain Ben Franklin who had a similar penchant). Galvani's breakthrough came a little more serendipitously than playing with metal in lightning storms—he noticed that an electric current passing through a dead frog's legs made those legs twitch. This observation sparked—pardon the pun—a series of connections: could it be that electric shock could cause muscles to twitch?

Today, _____ can mean to shock but in a different sense than through raw electricity. To _____ is to shock or urge somebody/something into action.

The colonel's speech _____ the troops, who had all but given up.

EPONYMS

Many have heard this word, and some may even have a visceral reaction to it. However, this word is actually misused. A **chauvinist** is not a male who chugs beers, watches too much football, and demeans women. That would be a male chauvinist. So what is a chauvinist, unadorned by any adjective?

Well, Nicolas Chauvin, a one-time recruit in Napoleon's army, used to go about town, thumping his chest about how great France was. In its modern day incarnation, chauvinism can also mean anyone who thinks that their group is better than anybody else's group. You can have male chauvinists, political party chauvinists, and even female chauvinists.

The chauvinist lives on both sides of the political spectrum, outright shunning anybody whose ideas are not consistent with his own.

gre.magoosh.com

gerrymander (verb)

EPONYMS

No, this word does not pertain to a large salamander named Gerry – though I suppose it could. Gerrymander is actually far more interesting than that.

Elbridge Gerry was the vice president of James Madison, the 4th president of the United States. Elbridge had an interesting idea. To get elected a president had to win a certain number of districts. So Elbridge came up with the following plan: if he partitioned a city in a certain way he could ensure that the president would win the majority of the votes from that district.

The end result was a city that was split up into the oddest arrangement of districts. And can you guess what a map of the city, gerrymandered, looked like? Yep, a salamander.

Today the use of **gerrymander** hasn't changed too much, and refers to the manipulation of boundaries to favor a certain group.

Years ago, savvy politicians had gerrymandered the city center to ensure their re-election.

gre.magoosh.com

pollyannaish (adj.)

EPONYMS

Like Hector, Pollyannaish comes from fiction. However, in this case we are dealing with a relatively recent work, that of Eleanor Porter who came up with a character named Pollyanna. Pollyanna was extremely optimistic and so it is no surprise that **Pollyannaish** means extremely optimistic.

Even in the midst of a lousy sales quarter, Debbie remained Pollyannaish, never losing her shrill voice and wide smile, despite prospective customers hanging up on her.

gre.magoosh.com

pyrrhic (adj.)

EPONYMS

King Pyrrhus had the unfortunate luck of going up against the Romans. Some would say that he was actually lucky in that he actually defeated the Romans in the Battle of Asculum. **Pyrrhic** was perhaps more ambivalent, quipping, "One more such victory will undo me."

So any win that comes at so great a cost that it is not even worth it is a pyrrhic victory.

George W. Bush's win in the 2000 election was in many ways a pyrrhic victory: the circumstances of his win alienated close to half of America.

gre.magoosh.com

kafkaesque (adj.)

EPONYMS

By day, Franz Kafka filed papers at an insurance office, and by night churned out dark novels, which suggested that the quotidian world of the office was actually far more sinister. Mainly, his novels were known for the absurd predicaments of their main characters (who often went by nothing more than a single initial).

Today, we have the word **Kafkaesque**, that refers to the absurdity we have to deal with living in a world of faceless bureaucracies. So next time you are put on hold for three hours and then volleyed back in forth between a dozen monotone-voice employees, think to yourself, hey this is Kafkaesque.

The process of applying for a passport was so Kafkaesque that Charles ultimately decided not to take a vacation.

gre.magoosh.com

maudlin (adj.)

EPONYMS

Mary Magdalene was the most important female disciple of Jesus. After Jesus had been crucified, she wept at his tomb.

From this outward outpouring of emotion, we today have the word **maudlin**. Whereas Mary's weeping was noble, **maudlin** has taken on a negative connotation. A person who is **maudlin** cries in public for no good reason, and is oftentimes used to describe one who's tried to finish a jeroboam alone, and now must share with the stranger sitting next to them all of his deepest feelings.

Just as those who were alive during the 70's are mortified that they once cavorted about in bell-bottoms, many who lived during the 80's are now aghast at the maudlin pop songs they used to enjoy—really, just what exactly is a total eclipse of the heart?

gre.magoosh.com

malapropism (noun)

EPONYMS

This is definitely one of my favorite eponyms. While the provenance is nowhere nearly as interesting as those of other eponyms, the word perfectly describes a lapse that any of us is capable of making, especially those studying for the GRE.

Ms. Malaprop was a character in a play called *The Rivals* by the largely forgotten Richard Brinsley Sheridan. She was known for mixing up similar sounding words, usually to comic effect. Indeed, she would utter the words with complete aplomb that those listening were unsure if she'd even mixed up words in the first place. Her favorite Spanish dance was the flamingo (note: the dance in question is the flamenco; a flamingo is a salmon-colored bird known both for its elegance and tackiness).

GRE **malapropisms** aren't quite so silly as Ms. Malaprop mixing up a bird and a Spanish dance, but I'll do my best. See if you can spot the GRE malapropisms below.

The graffiti artist was indicated for defecating the church with gang signs.

gre.magoosh.com

quixotic (adj.)

EPONYMS

Don Quixote is perhaps one of the most well-known characters in all of literature. I suppose there is something heartbreaking yet comical at a man past his prime who believes he is on some great mission to save the world. In fact, Don Quixote was so far off his rocker that he thought windmills were dragons.

As a word that means somebody who mistakes windmills for dragons would have a severely limited application, **quixotic** has taken the broader meaning of someone who is wildly idealistic. It is one thing to want to help end world hunger; it is another to think you can do so on your own. The latter would be deemed quixotic.

For every thousand startups with quixotic plans to be the next big thing in e-commerce, only a handful ever become profitable.

gre.magoosh.com

panglossian (adj.)

EPONYMS

Interestingly, there is another eonym for literature that has a very similar meaning: **Panglossian**. Derived from Dr. Pangloss from Voltaire's *Candide*, **Panglossian** carries a negative connotation, implying blind optimism.

Despite the fact that his country had been marred by a protracted civil war, Victor remained ever **Panglossian**, claiming that his homeland was living through a Golden Age.

gre.magoosh.com

quisling (noun)

EPONYMS

We've all heard of the Nazis. Some of you may have even heard of the Vichy government, which was a puppet regime set up by the Nazis in France during WWII. Few of us, however, know that Germany also tried to turn Norway into a puppet regime. In order for Germany to take over Norway, it needed an inside man, a Norwegian who would sell his country out for the Nazis.

This man was Viktor Quisling. For arrant perfidy, he has been awarded the eonym **quisling**, which means traitor.

History looks unfavorably upon quislings; indeed they are accorded about the same fondness as Nero—he who watched his city burn down while playing the violin.

gre.magoosh.com

byzantine (adj.)

EPONYMS

Okay, I cheated a little on this one. Byzant was not a medieval philosopher (nor an industrious ant). The word byzantine is not derived from a person's name, but from Byzantium, an ancient city that was part of the Byzantine Empire (the word can also refer to the empire itself). Specifically, Byzantium was known for the intricate patterns adorning its architecture. Bulbous domed turrets were emblazoned with ornate latticing (think of the towers on a Russia church).

The modern usage of **byzantine** refers not to architecture per se, but to anything that is extremely intricate and complex. It actually carries a negative connotation.

Getting a driver's license is not simply a matter of taking a test; the regulations and procedures are so byzantine that many have found themselves at the mercy of the DMV.

gre.magoosh.com

galvanize (verb)

EPONYMS

Like many late 18th Century scientists, Luigi Galvani was fascinated with electricity (you may recall a certain Ben Franklin who had a similar penchant). Galvani's breakthrough came a little more serendipitously than playing with metal in lightning storms—he noticed that an electric current passing through a dead frog's legs made those legs twitch. This observation sparked—pardon the pun—a series of connections: could it be that electric shock could cause muscles to twitch?

Today, **galvanize** can mean to shock but in a different sense than through raw electricity. To galvanize is to shock or urge somebody/something into action.

The colonel's speech galvanized the troops, who had all but given up.

(adj.)

When it comes time to elect the pope who gets together? The _____, of course. And when you're watching baseball in St. Louis, and the players all have red birds on their uniforms, which team are you seeing? The _____, of course. And when you are on the GRE and you see the word _____? Well it has nothing to do with birds, baseball or popes.

_____ means of primary importance, fundamental. That makes sense when you think of the _____ in the church—after all they do elect the pope. The bird happens to be the same color as the _____ robes. As for what St. Louis has to do with _____, I have no clue.

As if you needed any more associations – the expression, “_____ sin”, retains the GRE definition of the word, and means primary. It does not refer to naughty churchmen.

Most cultures consider gambling a _____ sin and thus have outlawed its practice.

gre.magoosh.com

religious words

(adj.)

This word comes from parish, a small ecclesiastical district, usually located in the country. _____ still has this meaning, i.e. relating to a church parish, but we are far more concerned with the negative connotation that has emerged from the rather sedate original version.

To be _____ is to be narrow-minded in one's view. The idea is if you are hanging out in the country, you tend to be a little cut off from things. The pejorative form—at least to my knowledge—is not a knock at religion.

Jasmine was sad to admit it, but her fledgling relationship with Jacob did not work out because his culinary tastes were simply too _____. “After all,” she quipped on her blog, “he considered Chef Boyardee ethnic food.”

gre.magoosh.com

religious words

(noun)

A few hundred years ago, many ran afoul of the church, and excommunications (and worse) were typical reprisals. If such was the case, the Pope actually uttered a formal curse against a person. This curse was called the _____.

Today this word, in addition to a broader scope, has taken a twist. If something is _____, he, she, or it is the source of somebody's hate.

The verb form of the word, _____, still carries the old meaning of to curse.

Hundreds of years ago, Galileo was _____ to the church; today the church is anathema to some on the left side of the political spectrum.

gre.magoosh.com

religious words

(adj.)

This is a difficult word, and not one that would go on any top 1000 words you have to know for the GRE. But for those with a robust vocabulary, pay heed: if a I concoct a new religion and decide to take bits and pieces from other religions—I don a cardinal's robe, shave my head a la Buddha, and disseminate glossy pamphlets about the coming apocalypse—I have created a _____ religion, one that combines elements of different religions.

You can probably see where this is going with the GRE definition—which tends to offer a little more latitude. _____—more generally speaking—can refer to any amalgam of different schools of thought.

Jerry the shrink takes a _____ approach to psychotherapy: he mixes the Gestalt school with some Jung and a healthy (or unhealthy, depending on your view) dose of Freud.

gre.magoosh.com

religious words

(adj.)

We have many associations with Catholicism: cardinals at mass, nuns wielding crucifixes at frothing demons. Thus, it is somewhat surprising that a second definition of _____—and the one that will be tested on the GRE—means universal.

Or perhaps not too surprising, considering that Catholicism has a universal reach and, more importantly, the _____ Church conducts mass in Latin. _____ comes from the Late Latin catholicus, which means, as you can probably guess, universal. _____ also implies wide-ranging or all-embracing.

Jonah's friends said that Jonah's taste in music was eclectic; Jonah was quick to point out that not only was his taste eclectic but it was also _____: he enjoyed music from countries as far-flung as Mali and Mongolia.

gre.magoosh.com

religious words

(verb)

If a person willfully violates or destroys any sacred place, he (or she) is said to _____ it. Tombs, graves, churches, shrines and the like can all be victims of _____. One, however, cannot _____ a person, regardless of how holy that person may be.

The felon had _____ the holy site, and was on the church's Top 10 Anathema list.

gre.magoosh.com

sanctimonious

apostasy

iconoclast

religious words

(noun)

Some believers turn against their faith and renounce it. We call this act _____, and those who commit it, _____. Today the word carries a slightly broader connotation in that it can apply to politics as well.

An _____ of the Republican Party, Sheldon has yet to become affiliated with any party but dubs himself a "literal independent."

gre.magoosh.com

Magoosh

religious words

(adj.)

This is a tricky word, and thus you can bet it's one of GRE's favorites. _____ does not mean filled with sanctity or holiness. Instead it refers to that quality that can overcome someone who feels that they are holier (read: morally superior) to everybody else.

Colloquially, we hear the term holier-than-thou. That is a very apt way to describe the attitude of a _____ person.

Even during the quiet sanctity of evening prayer, she held her chin high, a _____ sneer forming on her face as she eyed those attending church for the first time.

gre.magoosh.com

Magoosh

religious words

(noun)

This is an interesting word. The definition that relates to the church is clearly negative, i.e. an _____ is one who destroys religious images. Basically, this definition applies to the deranged drunk who goes around desecrating icons of the Virgin Mary.

The applicability of this definition to GRE is clearly suspect. The second definition, however, happens to be one of the GRE's top 100 words. An _____—more broadly speaking—is somebody who attacks cherished beliefs or institutions. This use of the word is not necessarily negative:

According to some scholars, art during the 19th century had stagnated into works aimed to please fusty art academies; it took the _____ of Vincent Van Gogh to inject fresh life into the effete world of painting.

Magoosh

VOCAB FLASHCARDS

RELIGIOUS WORDS ONE-SIDED FLASHCARDS

cardinal (adj.)

RELIGIOUS WORDS

When it comes time to elect the pope who gets together? The cardinals, of course. And when you're watching baseball in St. Louis, and the players all have red birds on their uniforms, which team are you seeing? The Cardinals, of course. And when you are on the GRE and you see the word cardinal? Well it has nothing to do with birds, baseball or popes.

Cardinal means of primary importance, fundamental. That makes sense when you think of the cardinals in the church—after all they do elect the pope. The bird happens to be the same color as the cardinals' robes. As for what St. Louis has to do with cardinals, I have no clue.

As if you needed any more associations – the expression, “cardinal sin”, retains the GRE definition of the word, and means primary. It does not refer to naughty churchmen.

Most cultures consider gambling a cardinal sin and thus have outlawed its practice.

gre.magoosh.com

parochial (adj.)

RELIGIOUS WORDS

This word comes from parish, a small ecclesiastical district, usually located in the country. Parochial still has this meaning, i.e. relating to a church parish, but we are far more concerned with the negative connotation that has emerged from the rather sedate original version.

To be **parochial** is to be narrow-minded in one's view. The idea is if you are hanging out in the country, you tend to be a little cut off from things. The pejorative form—at least to my knowledge—is not a knock at religion.

Jasmine was sad to admit it, but her fledgling relationship with Jacob did not work out because his culinary tastes were simply too parochial; “After all,” she quipped on her blog, “he considered Chef Boyardee ethnic food.”

gre.magoosh.com

anathema (noun)

RELIGIOUS WORDS

A few hundred years ago, many ran afoul of the church, and excommunications (and worse) were typical reprisals. If such was the case, the Pope actually uttered a formal curse against a person. This curse was called the **anathema**.

Today this word, in addition to a broader scope, has taken a twist. If something is anathema, he, she, or it is the source of somebody's hate.

The verb form of the word, anathematize, still carries the old meaning of to curse.

Hundreds of years ago, Galileo was anathema to the church; today the church is anathema to some on the left side of the political spectrum.

gre.magoosh.com

syncretic (adj.)

RELIGIOUS WORDS

This is a difficult word, and not one that would go on any top 1000 words you have to know for the GRE. But for those with a robust vocabulary, pay heed: if I concoct a new religion and decide to take bits and pieces from other religions—I don a cardinal's robe, shave my head a la Buddha, and disseminate glossy pamphlets about the coming apocalypse—I have created a syncretic religion, one that combines elements of different religions.

You can probably see where this is going with the GRE definition—which tends to offer a little more latitude. **Syncretic**—more generally speaking—can refer to any amalgam of different schools of thought.

Jerry the shrink takes a syncretic approach to psychotherapy: he mixes the Gestalt school with some Jung and a healthy (or unhealthy, depending on your view) dose of Freud.

gre.magoosh.com

catholic (adj.)

RELIGIOUS WORDS

We have many associations with Catholicism: cardinals at mass, nuns wielding crucifixes at frothing demons. Thus, it is somewhat surprising that a second definition of **catholic**—and the one that will be tested on the GRE—means universal.

Or perhaps not too surprising, considering that Catholicism has a universal reach and, more importantly, the Catholic Church conducts mass in Latin. Catholic comes from the Late Latin *catholicus*, which means, as you can probably guess, universal. Catholic also implies wide-ranging or all-embracing.

Jonah's friends said that Jonah's taste in music was eclectic; Jonah was quick to point out that not only was his taste eclectic but it was also catholic: he enjoyed music from countries as far-flung as Mali and Mongolia.

gre.magoosh.com

desecrate (verb)

RELIGIOUS WORDS

If a person willfully violates or destroys any sacred place, he (or she) is said to **desecrate** it. Tombs, graves, churches, shrines and the like can all be victims of desecrations. One, however, cannot desecrate a person, regardless of how holy that person may be.

The felon had desecrated the holy site, and was on the church's Top 10 Anathema list.

gre.magoosh.com

apostasy (noun)

RELIGIOUS WORDS

Some believers turn against their faith and renounce it. We call this act **apostasy**, and those who commit it, apostates. Today the word carries a slightly broader connotation in that it can apply to politics as well.

An apostate of the Republican Party, Sheldon has yet to become affiliated with any party but dubs himself a “literal independent.”

gre.magoosh.com

Magoosh

iconoclast (noun)

RELIGIOUS WORDS

This is an interesting word. The definition that relates to the church is clearly negative, i.e. an **iconoclast** is one who destroys religious images. Basically, this definition applies to the deranged drunk who goes around desecrating icons of the Virgin Mary.

The applicability of this definition to GRE is clearly suspect. The second definition, however, happens to be one of the GRE's top 100 words. An iconoclast—more broadly speaking—is somebody who attacks cherished beliefs or institutions. This use of the word is not necessarily negative:

According to some scholars, art during the 19th century had stagnated into works aimed to please fusty art academies; it took the iconoclasm of Vincent Van Gogh to inject fresh life into the effete world of painting.

defray (verb)

A HELPING HAND

Is to help pay the cost of, either in part or full. Often times when students go off to college, they hope that tuition (which is always becoming steeper these days) will be **defrayed** by any of a number of means: scholarships, parents, burgeoning stock portfolio, or even generous relatives.

In order for Sean to attend the prestigious college his magnanimous uncle helped defray the excessive tuition with a monthly infusion of cash.

gre.magoosh.com

Magoosh

pittance (noun)

A HELPING HAND

A small amount of money, pittance carries with it a negative connotation: a **pittance** is inadequate and will do little to take care of one's costs.

Vinny's uncle beamed smugly about how he'd offered his nephew fifty dollars for his Harvard tuition; even twice the amount would have been a mere pittance.

gre.magoosh.com

Magoosh

mulct (verb)

A HELPING HAND

This strange looking word also means to swindle or defraud someone. (Though the swindling doesn't always have to relate to money.) **Mulct** can also mean to fine someone.

The so-called magical diet cure simply ended up mulcting Maria out of hundreds of dollars, but not hundreds of pounds.

gre.magoosh.com

Magoosh

stipend (noun)

A HELPING HAND

Is a regular allowance, usually for a student (yes, it seems that many of these money matters are related to students!). Of course **stipends** aren't just limited to students; governments provide stipends to a number of different people.

He was hoping for a monthly allowance loan from the government, but after no such stipend was forthcoming he realized he would have to seek other means of defraying his college tuition.

gre.magoosh.com

Magoosh

dupe (noun/verb)

A HELPING HAND

This word means to trick or swindle. This word can function as a verb or as a noun. A **dupe** is a person who is easily swindled.

The charlatan mistook the crowd for a bunch of dupes, but the crowd was quickly on to him and decried his bald-faced attempt to bilk them.

gre.magoosh.com

Magoosh

fleece (verb)

A HELPING HAND

Don't feel sheepish if you thought this word only pertained to the coat of an ovine. As a verb **fleece** means to swindle or dupe.

The Internet is filled with get-rich-quick schemes that intend only to fleece the Pollyannaish and unsuspecting.

VOCAB FLASHCARDS

COMPOUND WORDS

ONE-SIDED FLASHCARDS

slapdash (adj.)

COMPOUND WORDS

One word conjures up a relatively violent action, the other what one typically does if they want to escape a dangerous situation. Put them together and you get, voila, a word meaning careless. That's right—**slapdash** means hastily put together.

The office building had been constructed in a **slapdash** manner, so it did not surprise officials when, during a small earthquake, a large crack emerged on the façade of the building.

gre.magoosh.com

Magoosh

hodgepodge (noun)

COMPOUND WORDS

Okay, I'm not really sure what a hodge is, or for that matter, a podge. But if you put them together, you get **hodgepodge**, a word that means a confusing mixture or jumble.

Long after his heyday as Germany's pre-eminent visionary philosopher, Nietzsche began to populate his writing with a hodgepodge of aphorisms.

gre.magoosh.com

Magoosh

thoroughgoing (adj.)

COMPOUND WORDS

If something is thorough it is complete. Therefore, thorough isn't too far from the meaning of **thoroughgoing**, which means absolute.

As a thoroughgoing bibliophile, one who had turned his house into a veritable library, he shocked his friends when he bought a Kindle.

gre.magoosh.com

Magoosh

heyday (noun)

COMPOUND WORDS

About two of the most ordinary words I can think of, and how someone who is generally apathetic might greet the morning. Put them together, and you get something far more exciting. **Heyday** is the pinnacle, or top, of a person, time period or career.

During the heyday of Prohibition, bootlegging had become such a lucrative business that many who had been opposed to the 18th Amendment began to fear it would be repealed.

gre.magoosh.com

Magoosh

aboveboard (adj.)

COMPOUND WORDS

I guess whatever is below the board is deceptive, because **aboveboard** means open and honest. It usually refers to government officials who are honest.

The mayor, despite his avuncular visage plastered about the city, was hardly aboveboard — some concluded that it was his ingratiating smile that allowed him to engage in corrupt behavior and get away with it.

gre.magoosh.com

Magoosh

telltale (adj.)

COMPOUND WORDS

If I tell a tale, I am telling a story, one that is usually a fib. **Telltale**, however, simply means revealing.

The many telltale signs of chronic smoking include yellow teeth, and a persistent, hacking cough.

phantasmagorical

halloween

(adj.)

If someone is so skinny or emaciated that they look like a dead person, then that person is _____. This word comes from cadaver, which is a corpse. Besides emaciated, a good synonym for _____ is gaunt.

Some actors take challenging roles in which they have to lose so much weight that they appear _____.

gre.magoosh.com

Magoosh

halloween

(noun)

I would never have considered this a vocabulary word (let alone a GRE word), until, that is, the New GRE PowerPrep test included a Text Completion in which _____ was the answer.

_____ describe that sensation on our skin when we become frightened. You know, those sudden pimple-like bumps that suddenly appear when you are watching the first half of a horror movie (the last part of horror movies are typically cheesy, once they show the monster). Well, this is now a good word to remember for the GRE, lest you want to get _____ test day.

Some people believe that _____ result when a ghost brushes up against you.

gre.magoosh.com

Magoosh

halloween

(adj.)

If a story, film, or, for that matter, any description is filled with gruesome details about death and horror, we say that it is _____.

Edgar Allan Poe was considered the master of the _____; his stories vividly describe the moment leading up to—and often those moments after—a grisly death.

gre.magoosh.com

Magoosh

halloween

(adj.)

This word comes from the Latin and Greek for devil (for those who speak Spanish, you may notice that the word is very similar to diablo). To be _____ is to be extremely wicked like the devil.

The conspirators, willing to dispatch anyone who stood in their way, hatched a _____ plan to take over the city.

gre.magoosh.com

Magoosh

halloween

(adj.)

This is a terrifying word, just from the standpoint of pronunciation: [fan-taz-muh-gawr-ik-al]. The definition is equally frightening: a series of images that seem as though they are out of a dream, whether those images are real or in one's head.

Those suffering from malaria fall into a feverish sleep, their world a whirligig of _____; if they recover, they are unsure of what actually took place and what was simply a product of their febrile imaginations.

gre.magoosh.com

Magoosh

a-words

(adj.)

_____ means open to more than one interpretation. Let's say I have two friends, Bob and Paul. If I tell you that he is coming to my house today, then that is _____. Who do I mean? Paul or Bob?

The coach told his team, "Move towards that side of the field"; because he did not point, his directions were _____, and the team had no idea to which side he was referring.

gre.magoosh.com

Magoosh

a-words

(noun)

A deviation from what is normal or expected: this word is tinged with a negative connotation. For instance, in psychology there is a subset of behavior known as _____ behavior. So, basically, if you're narcissistic, psychotic, or just plain old cuckoo, you are demonstrating _____ behavior.

_____ in climate have become the norm: rarely a week goes by without some meteorological phenomenon makes headlines.

gre.magoosh.com

Magoosh

a-words

(adj.)

_____ means shapeless. Morph- comes from the Latin for shape. The root a-, as in atypical, means not or without. Therefore, if something is _____, it lacks shape.

His study plan for the GRE was at best _____; he would do questions from random pages in any one of seven test prep books.

gre.magoosh.com

Magoosh

VOCAB FLASHCARDS

A-WORDS ONE-SIDED FLASHCARDS

amiable (adj.)

A-WORDS

Amiable means friendly. It is very similar to amicable, another common GRE word. Amicable, however, does not refer to a person the way that amiable does, but rather refers to relationships between people. You'll notice that amicable is, therefore, the opposite of acrimonious (see below).

Amy's name was very apt: she was so amiable that she was twice voted class president.

gre.magoosh.com

Magoosh

amenable (adj.)

A-WORDS

Amenable means easily persuaded. If someone is cooperative and goes along with the program, so to speak, that person is amenable. Amenable can also be used in the medical sense: if a disease is amenable to treatment, that disease can be treated.

Even though she did not like bad weather, Shirley was generally amenable and decided to accompany her brother to the picnic.

gre.magoosh.com

Magoosh

animosity (noun)

A-WORDS

Meaning Intense hostility, animosity should be reserved for extreme cases. That is, if you really loathe someone, and that person feels the same way, then you can say **animosity** exists between the two of you.

A related word, and a synonym, is animus (though animus can also mean motivation, as in impetus).

The governor's animosity toward his rival was only inflamed when the latter spread false lies regarding the governor's first term.

gre.magoosh.com

Magoosh

affable (adj.)

A-WORDS

Likeable, easy to talk to: **affable** is similar to amiable. The differences are subtle, and as far as the GRE is concerned, you can treat them as the same word. Like amiable, this word is great to use to describe people we know. After all, everyone knows an affable person.

For all his surface affability, Marco was remarkably glum when he wasn't around other people.

gre.magoosh.com

Magoosh

attenuate (verb)

A-WORDS

Attenuate means to weaken (in terms of intensity), to taper off/become thinner. Attenuate can refer to both abstract and tangible things.

Her animosity towards Bob attenuated over the years, and she even went so far as to invite him to her party.

The stick is attenuated at one end to allow the villagers to forage for ants.

gre.magoosh.com

Magoosh

anomalous (adj.)

A-WORDS

Anomalous means not normal, out of the ordinary, and is simply the adjective—and scarier looking—form of anomaly, which is a noun. Anomalous can be used in cases to describe something that is not typical, like an unusually cold California spring.

According to those who do not believe in climate change, the extreme weather over the last five years is simply anomalous—average temps should return to average, they believe.

gre.magoosh.com

Magoosh

acrimony (noun)

A-WORDS

Acrimony means bitterness and ill will. Don't forget the adjective form, **acrimonious**, which describes relationships filled with bitterness and ill will.

The acrimonious dispute between the president and vice-president sent an unequivocal signal to voters: the health of the current administration was imperiled.

gre.magoosh.com

Magoosh

ambiguous (adj.)

A-WORDS

Ambiguous means open to more than one interpretation. Let's say I have two friends, Bob and Paul. If I tell you that he is coming to my house today, then that is ambiguous. Who do I mean? Paul or Bob?

The coach told his team, "Move towards that side of the field"; because he did not point, his directions were ambiguous, and the team had no idea to which side he was referring.

gre.magoosh.com

Magoosh

aberration (noun)

A-WORDS

A deviation from what is normal or expected: this word is tinged with a negative connotation. For instance, in psychology there is a subset of behavior known as **aberrant** behavior. So, basically, if you're narcissistic, psychotic, or just plain old cuckoo, you are demonstrating aberrant behavior.

Aberrations in climate have become the norm: rarely a week goes by without some meteorological phenomenon makes headlines.

gre.magoosh.com

Magoosh

amorphous (adj.)

A-WORDS

Amorphous means shapeless. Morph- comes from the Latin for shape. The root a-, as in atypical, means not or without. Therefore, if something is amorphous, it lacks shape.

His study plan for the GRE was at best amorphous; he would do questions from random pages in any one of seven test prep books.

(verb)

To yell at someone is one thing; to _____ them is a whole other. A martinet of a boss whom you've once again upset; a drill sergeant berating a feckless, smirking recruit; now we are closer.

So to criticize really, really harshly is to _____. Interestingly, the second definition of the word is to tear one's skin from his/her body. To verbally _____, figuratively speaking, is to rip off a person's skin.

Entrusted with the prototype to his company's latest smartphone, Larry, during a late night karaoke bout, let the prototype slip into the hands of a rival company—the next day Larry was _____, and then fired.

gre.magoosh.com

Magoosh

X-words

(verb)

This word just sounds awful. The good news is the meaning of _____ is consistent with the way it sounds. To _____ somebody is to curse and hiss at them. For instance a certain American basketball player left his team of many years so he could make more money with another team. Fans of the original team _____ the player for his perfidy and, what they claim, were his mercenary motives.

Interestingly, the adjective form of _____ is the relatively common GRE word _____. If something is _____, it is so awful that it is worthy of our hissing.

Though the new sitcom did decently in the ratings, Nelson railed against the show, saying that it was nothing more than _____ pastiche of tired cliché's and canned laughter.

gre.magoosh.com

Magoosh

X-words

(adj.)

_____ means making less guilty or more forgivable. The phrase "_____ circumstances" is common courtroom lingo. Say somebody broke into a drugstore to steal some expensive medication. Later we learn that medication was for that person's wife, who was dying of some disease that only the medication could cure. Most of us, presumably, would be more likely to forgive the man. Why? Because of the _____ factor of his wife's disease.

The jury was hardly moved by the man's plea that his loneliness was an _____ factor in his crime of dognapping a prized pooch.

gre.magoosh.com

Magoosh

X-words

(noun)

This word refers to a critical interpretation of a scholarly work. If you think that definition is intimidating, the adjective form is _____.

The Bible is fertile ground for _____—over the past five centuries there have been as many interpretations as there are pages in a Gideon.

gre.magoosh.com

Magoosh

X-words

(verb)

To _____ means to strongly urge on, encourage. The encouragement is for a positive action. So a mentor figure will _____ you to make the most of your life, whereas the miscreant will cajole you into doing something you'll regret.

Nelson's parents _____ him to study medicine, urging him to choose a respectable profession; intransigent, Nelson left home to become a graffiti artist.
